Opposition Hasting B Festival	
Hosham, Hove, Haywards Heath, Hastings and Bexhill	
Date 6 th Feb 2011	Location hastings
Report Author John Roberts	
Players Names	

Session/Match/Festival Report

Wow, sometimes the gods if not the Sun smiles on you. Having been scheduled to train the late invite to the other half of the H cup at Hastings was very welcome.

So to Sunday we arrived to stong wind and rain and without the customary Hastings sunshine. However we met a warm welcome from other coaches and Hastings themselves. The U10's had a full compliment of H's to play against. We started against a depleted Horsham to which we loaned Seth and Morgan who acquitted themselves well with tries and tackles against their teammates! We won well against them 5 - 2.

Next up in back to back matches were the in form Hove, we kept the game tight but in the end Hove slipped a couple of late tries past us to win 3 -1. In this game we were being beaten in the push on the scrum but frequently turned them over with swift hooking of the ball.

After a 1 game break we were into second pair of back to back matches. However we were now down to 9 men. Aaron had a bad cut to his knee from studs after a demon 1 1/2 games and had to leave us as did Morgan.

The 9 took their steely determination into a the penultimate game against Haywards Heath. In a tight game it was 1 - 1 at half time and we finished up 2 - 2. A well deserved draw for both teams with some beautiful rugby acknowledged by both teams coaches and the ref. Scrum 5 however will be a Hurricanes training move for the future we had opportunities to beat them that we can work on for the future.

Session/Match/Festival Report (Cont)

Lastly the 9 dusted themselves down and faced the next their back to back and final game against Hastings and Bexhill. H&B had been playing well (This was their A squad) and we were expecting another tight game, however our running angles broke them up and we were 4 - 0 at half time. the second half was tighter but another HH try sealed the win despite H&B managing to get one past what had been a very tight defence.

A big thankyou to H&B for a great day out (please fix the sun for next time) to the parents for excellent support and to the whole squad who showed such determination and will to win all day.

Lastly a special note of thanks to Christian Layberry who played well joining us from the U9's for the day.

Hurricanes 5 v Horsham 2;

Hurricanes 1 v Hove 3;

Hurricanes 2 v Haywards Heath 2;

Hurricanes 5 v Hastings & Bexhill 1

Hastings will send the final results later which we will send out. Parents, please let us have any pictures you may have from the day.

John
