Session/Match/Festival Report

Firstly, we'd like to give our thanks to Hastings for arranging the festival and great weather!

Our opening match was against Crowborough, who took some great tags and halted Heathfield's first attempt at the try line. Heathfield displayed some very good passing but lack of cover allowed Crowborough's to score. A forward pass by Heathfield gave Crowborough possession of the ball and they went on to score another try. Ollie managed to score Heathfield's first try, but then Crowborough with a great display of speed managed two more tries. Thomas's try was disallowed as he only had one tag, and Theo managed to stop a further try for Crowborough with some great tagging. At half time the score was 4-1 to Crowborough.

During the second half we did not fare much better, another disallowed try (Elliot). Despite good tagging, teamwork and great passing by Heathfield and a last minute try by Thomas the final score was 7-2.

Our second match was against Haywards Heath Cs who won the toss. Heathfield tagged very well and were able to prevent the first attempt to the tryline. A good straight defensive line by H/field could not stop Haywards Heath's first try. Some good passing by H/field almost led to a try by Max but H/Heath managed to steal the ball and score. Undeterred, more good passing by H/field was rewarded by Max scoring our first try of the match, which was

Session/Match/Festival Report (Cont)

Closely followed by H/Heath 3rd try moments before the half-time whistle.

In the second half, H/field started with a great attack but try disallowed. Our team played a good defence with some excellent tagging stopping several attacks by H/Heath. Good effort by Heathfield, which should have resulted in a win. 3-1 to H/Heath.

Our 3rd match was against Haywards Heath As.

H/field started with a great attack and good passing, which resulted in a try by Max. H/Heath responded by scoring 2 trys from good individual runs. During the next play H/field managed some great tagging, which stopped a certain try to H/Heath. Half-time score 4 - 1 to H/Heath.

A strong start by H/field in the second half resulted in a try by Luke. However, break away resulted in a try for H/Heath. On restart, Luke, well supported by the team went on to score another try. A number of tries were scored by H/Heath. Theo, with great support scored the final try for H/field. Final score 7-4 to H/Heath As.

The last match was against Lewes.

Lewes started well and scored an early first try, H/field equalised (Luke, with good team support). Lewes were a strong team with some very fast runners and went on to score 3 more trys in the first half.

The second half started well for H/field but unfortunately did not result in further trys until almost the end when Thomas, supported by his team scored the last try. Final score 6-2 to Lewes.

Overall the day was enjoyable, the children worked well as a team, unfortunately going into touch lost possession of the ball - something to work on!

Finally, thanks to Bruce, who refereed for the first time!
