Report Author Joe Light	
Players Names Findlay, Harry Dann, Harry Pearce, Harry Taylor, Miles, Ben, William, Max Lai, Callum, Joe Mac, Joe Light, Alex, Sebby.	

Session/Match/Festival Report

With Hasting hosting the alternate event the squad faced three extremely tough matches against the top teams in West Sussex. The amended running order read Hove followed by Haywards Heath back-to back then a one match break before facing Horsham.

The quality of the opposition here can't be understated and our performance would be a good indication of our progress as a squad this season.

All three games proved to be as tough and physical as anticipated. Two narrow defeats to Hove and Haywards Heath followed by an equally narrow victory over Horsham provided a morning of great rugby with Heathfield's tackling, passing and attack the match of any the teams present. Our main areas for improvement are still our support play (speed and commitment to the tackle, ruck and maul) and in particular our set-pieces (scrum & lineout) When we begin to secure more ball from these areas we can start give our backs the platform they need to establish some solid attacking opportunities.

Session/Match/Festival Report (Cont)

Results:

Heathfield 0 – Hove 1

Heathfield 0 – H Heath 2

Heathfield 1 – Horsham 0

Conclusion: A great performance from the entire squad for which they should all be extremely proud.

Many thanks to Haywards Heath for hosting the event and to all our opponents for the style of rugby on show. Congratulations to the Hastings squad for their great showing back in East Sussex. Lastly thanks to Tom Hall (Hurricanes U11s) for taking on refereeing duties for the morning and forgoing the chance to watch his own squad in action.
